

Restoration of Service to May 8 Schedule Changes

Beginning in September 2010, the San Francisco Municipal Transportation Agency (SFMTA) will restore service to some bus routes and rail lines affected by the May 8 service changes. We have prepared a plan that is city-wide and focuses on areas that will have the most benefit to riders: 1) restoring Owl service to 30 minutes, 2) returning all community lines to previous service levels, 3) responding to customer comments and observations adding capacity to address crowding.
