Good Afternoon Mr. Chairman and Members of the Board,

This email serves as a brief status update of SFMTA's on-going discussions over the past few days with the Mayor and Transport Workers Union (TWU) Local 250-A's (9163) Executive Committee. As of Friday evening, February 5, 2010, parties have agreed to a "good-faith proposal." It is expected that TWU's Executive Committee will take this proposal to its membership on February 16, 2010 for ratification.

Listed below are the components of the "good-faith proposal:"

Description	FY09/10	FY11/12
Retirement	\$0	\$8.9
Health	\$1.3	\$0
Work on RDO	\$0.54	\$3.25
Ancillary Items (line trainer/childcare health care/facility)	\$0.11	\$0.65
TOTAL	\$1.95	\$12.80
TWO YEAR TOTAL:	\$14.75	

The aforementioned items aids us in off-setting the proposed fare increase for the monthly Senior/Disabled/Youth pass. Additionally, the service reduction planned for May 1, 2010 will consist of a 8 percent reduction in service instead of the 10 percent originally proposed.

We will keep you apprised of on-going developments.

Have a great weekend.
