

**Tell the MTA and Mayor:
No more service cuts or fare
increases!**

- **Charge city employees for parking**
Everyone *else* has to pay for parking!
- **Run the meters on Sundays & evenings**
We should not subsidize driving while cutting transit service and raising fares.
- **And don't scapegoat Muni drivers**
We know most drivers work hard.
They deserve fair pay and good conditions.

Riders are organizing! Join us!

Talk to the MTA Commissioners in person.
This Friday, Feb. 26, 9am-noon, City Hall
If you can't go, call the Mayor: 554-6141
